Dear Parents and Community Members,

Dear Parents and Community Members,  
Principal Letter

This is the third year for the redesigned annual report card issued by the Oregon Department of Education. This annual report offers a picture of Elgin High School.

The annual report card issued by the Oregon Department of Education provides the district, community members, and parents with data in certain areas related to Elgin School District students. Growth and achievement ratings in reading and math are provided along with data from key student groups, School Readiness, Academic Enrichment, and Extracurricular Activities.

The U. S. Department of Education has given the State of Oregon approval to temporarily suspend the assignment of school ratings during the transition from NCLB to the new college and career readiness assessments. Schools will not receive an overall school rating on this report card, and will receive a new overall school rating on the 2016-17 school report cards.

With your continued support, the students at Elgin High School will constantly strive to achieve excellence both in the classroom and in our extra-curricular activities.

Thank you,  
  
Thank you,  
  
Principal | Rob Shell
